# CONFESSIONS OF A TALENT AGENT

*A high-powered agent tells just how far some girls will go to get into showbiz*

They come from all over to snag an audition for a role in a movie or TV show. They figure they might have a chance of being discovered, and sure enough once in a while some of them land a role.

I am an agent that signs talent, and it's my job to sign the best performers. Things may have changed with how things are done these days, but it's amazing that there are still some girls who will do anything to land a part. And I'm here to tell you about some of those girls that have made this job one of the more memorable ones of my life.

There was a young lady who was looking to get signed, that had a talent for singing. She came in to see me at about 10 o'clock in the morning, and since she was the only one booked for the morning the office was empty. She walked in wearing tight, tight jeans that hugged her ass, with the seam practically disappearing up the crack between her cheeks. Her tits were even more impressive. They were the 40-inch D-cup variety and her t shirt was working overtime to keep those knockers in. She had a real naïve farm-girl expression on her face and she looked at me anxiously while she performed a song. She finished her part on a real powerful note and then asked me if I liked her lungs.

I'd been staring at her tits, which were rising up and down inside that t shirt, and I wasn't sure how to interpret that question. Maybe she wasn't as naïve as her pretty freckled face indicated, but I had no way of knowing that. When I hesitated, she smiled sweetly, picked up a glass of water and poured it on to her t shirt. The material turned soggy pink as it got drenched and clung to her skin, making the upper half of her jugs and then the nipples distinctly visible. Indeed, her nipples looked so vivid and animated under that wet t shirt that they almost appeared to be sucking at the water.

"Can you see them better?" she asked.

"I sure can," I replied.

"Want to give them a feel while I sing?"

I couldn't for the life of me think of any reason not to. So I reached one hand out and cupped it under a tit. It felt cool, wet and soft in my palm, but the nipple turned hard at the touch of my thumb. Then she started to sing, filling her chest with air and belting out a tune while her tit did a dance in my hand. Up and down, back and forth, her nipple massaged my palm while my cock started doing its own dance in my pants.

Before I knew what was happening she was down on one knee, her hands clasped by her breast. I retained my grip on her left breast and she started to sing. She crooned against my crotch, her hot breath going right through my pants. Suddenly she stopped singing. "I can't seem to get that feeling just right. I need to have something in my mouth."

My dick responded by pounding against my pants. The material ballooned outward until it was nudging the girl's face. She looked shocked and innocent, but damned if she didn't lean her cheek against my groin. My dick strained to get out. Her fingers took the tab of the zipper and pulled downward. My rod was so berserk by then that it just rammed through the slit in my boxers and slammed into the girl's nose. She rubbed her cheeks against the tip of my dick, causing it to bob with excitement all over her face.

Her pretty lips puckered up and slowly slid over the head of my cock. She engulfed the mushroom head and then tucked the tip against the inside of her mouth as if it were a wad of bubble gum. She took in a few more inches and with my cock firmly wedged against the slippery, smooth inside of her cheek, she started to sing again.

On and on she went—singing, sucking and vibrating my

rod as my fluids surged through and filled to bursting. When she finally got to the end, I couldn't hold back. I came in her mouth while she finished the song with. Cum shot into her soft tongue and down the back of her throat as she gurgled it down.

She got signed right then and there.

A young lady who is now performing in Vegas started out at as a magician. She was a real cute number with curly black hair, an easy smile and a magician's high hat. Instead of a blouse she wore a black satin vest that was tapered to hug her waist and unbuttoned to show the tops of her tits. Her skirt was simple and black, with a slit up one side that showed a lot of leg.

I was bored and sure she was wasting my time. I'd never heard of any female magician who was worth a damn. Got to admit though, this chick was hot. She sat me down in front of her and asked me to pick a card from the deck she was holding. I pulled a card, cupped it in my hands and took a peek: Ace of hearts. I looked up at her, and somehow her hat was gone.

"Where's your hat?" I asked.

She just smiled and winked, and then she asked me to put the card back in the deck. I carefully slipped the card back, made sure none of its corners were sticking out, and handed the deck to her.

Her skirt was gone. She was wearing black satin panties and had gorgeous legs. But where was the skirt? It wasn't behind her; the only things there were two extraordinarily cute buns filling her panties.

"Shuffle the deck," she said.

I put the cards down, shuffled them twice, and realized that her vest was suddenly gone. Her tits were staring me in the face as I sat in front of her, and I was tempted to just lean forward and start sucking on them.

"Now pick the top four cards from the deck."

"Who cares?" I mumbled. "Oh, please." I sighed, put the deck on my lap again, and counted off the first four cards. I looked up quickly and damn it, her panties were still on. By now I could almost smell the sweet scent of her cunt. "No more tricks?" I asked.

She winked and pointed to one of the cards. "Was this one yours?" It was the nine of clubs.

"No, my card was..."

Her panties were gone. She stood up, her pussy within sucking distance and her tits not far beyond. Her clothes were not to be seen anywhere—just round tits, a flat belly, a dark delta and smooth legs. She retrieved the cards from my lap and put them on a chair. Then she smiled and pointed at my dick.

My zipper was open. She stepped closer, her legs straddling mine, and reached her magic fingers into my pants. They curled around my cock and led it into the open air, where it pointed upward and out like a torpedo aimed at her pussy. She inched closer until her smooth belly was touching my face and her the lips of her cunt brushed against my stomach. Slowly she lowered herself onto my lap. First her titties knocked my forehead, then my nose, and then one of them fell into my mouth.

I sucked on her berry nipple and chewed gently on the flesh as her pussy made contact with my dick. Her hole opened up and slid over my shaft, covering my rod with her heat. Her bare legs and ass rested in my lap as my shaft got packed in pussy right down to the hilt. As a matter of fact, I was so far inside her that I could swear I felt her IUD with the tip of my cock.

She played with the hair on the back of my head, pressing my face hard onto her tit. I began to jiggle my legs up and down. She crushed her clit against the base of my penis

and began grinding her button against it. Her bare legs and ass slapped up and down on my thighs as I jiggled and she rocked. Letting go of her tit, I took the other one into my mouth and she wiggled her cunt till we exploded together, grinding and hugging each other.

I pulled out soon after I came, explaining that her IUD was rubbing my dick.

"I don't use an IUD," she said.

That kind of confused me. So I stuck two fingers way up into her cunt until I could just barely get a grip on something stiff in there. I pulled it out: Ace of hearts.

She got the contract.

One of my favorites among the girls who've auditioned here was a dancer. I'd never even gotten near a ballet dancer before. This one was really elegant. She had long, straight hair, held her head high, and had a tall, slim body. She wore a body leotard and one of those calf-length wraparound skirts that ballet dancers always wear.

"Sorry, can't use a ballet dancer," I told her. "Tap, disco, Broadway—even Flamenco's okay, but I don't handle ballet."

"Give me a chance," she pleaded. And with that she untied the skirt and let it drop to the floor. Her legs, not surprisingly, were magnificent. They were long and slender, yet very strong looking; not bulky strong like an ice skater's legs, but lithe, like the legs of a girl in a chorus line.

"Okay, why not?" I shrugged..

Spreading her legs and putting her hands on her hips, she started swaying her torso in order to stretch. As she swung around her hair swooped down almost to her knees. As she swung forward again and fell into some toe touches, I marveled at how round and firm her ass was. The bottom edge of her leotard began hiking up as she bent over, revealing some pale pink cheek. She did a kind of split on the floor and

touched her toes, one foot at a time, all the while that leotard kept bunching up toward her asshole. It began to resemble a G-string, covering just the crack while most of her buns were exposed. Clearly this leotard was a size too small. I wondered if she would even be able to dance in it. Never did find out.

"My leotard seems to have shrunk in the wash," she said. "I'm going to take it off." Sure enough, that dignified serious-looking dancer stretched the straps over her shoulders and started pulling it down. It slid past her tits, which popped out. They weren't real big tits, but they looked awfully cute. They were firm enough to ride high, as if they had an invisible bra holding them up. Down went the leotard, past her flat belly and over her hips.

When it got to her pussy she surprised me once again. She was shaved; not a hair on it; nothing between my eyes and her tiny little labia. The leotard fell the rest of the way down her shapely leg and she stepped out of it. The only thing she had on was her toe shoes.

Mumbling "one, two, three, one two three" to herself, the naked girl started whirling around the floor. Long legs pointed and kicked, tits and nipples spun around, and pert buns swung in and out of my view. Coming to rest about two feet from where I was standing, she reached one arm out and rested her hand on my shoulder. The workout had caused her to perspire, and I could smell a mix of salt and soap. She went up on her toes with one foot and lifted the other leg parallel to the floor.

"Partner me," she said.

"I don't know what to do," I replied.

She took one of my hands and placed it under the calf of the leg that was sticking straight out. She led my other hand to support the small of her back. It took an act of will not to slide that hand right down her pert little ass. I lifted the calf of her leg high, amazingly higher, until her ankle came to rest on my

right shoulder. She leaned backward, supporting herself on me, until her tits pointed upward. Remaining in that position for a while, she waved her arms gracefully in the air.

Smiling for the first time since she came into the place, she told me I was a good partner. Her ankle slid off my shoulder and as it slowly moved back to a horizontal position, my hand just naturally slid from her calf to the back of her knee. Her skin was very soft and damp there. I couldn't resist continuing the slide until the back of her warm thigh was in the palm of my hand. My fingertips edged farther up until I felt the crease that separates bare thigh from bare butt. I couldn't stop there. I reached forward and grabbed her ass, squeezing the firmest most perfect cheeks I'd ever touched. She smiled again and lowered her leg to the floor.

My wrist was trapped between her thighs, my hand on her ass and my forearm pushing against her in credibly tender, shaved cunt lips. They almost seemed to kiss my wrist; since there was with no pubic hair, her pussy was incredibly responsive to my touch.

Her arms went over her head and then behind it, and she learned backwards like she'd done before. This time though, she kept going until her hands were touching the floor. With her palms flat on the floor she kicked her legs up on either side of me and went into a handstand. Gently, so as not to upset her balance, I patted her perky cheeks. She spread her legs and rested her ankles on my shoulders, leaving me to stare right down at that beautiful, hairless pussy.

I leaned toward it, sliding her legs farther up onto my shoulders so she wouldn't fall over, until my face was wedged between her firm, smooth thighs. Now I could smell her cunt stronger than ever. I nudged it with my nose and felt a shiver run through her thighs. When I flicked out my tongue to lick it a few times, her clit felt softer than any clit I'd ever licked. I could actually see her pussy lips opening. My tongue reached

into the wet salty opening and her thighs trembled again. Her breathing grew heavy and her labia continued to swell as I sucked her sweet cunt.

Her then body began shaking so hard that she could no longer hold herself up, and then she hugged her legs very tight around my face and did a super sit-up that ended up with her sitting on my shoulders. Her belly was pressed against my nose and my chin tickled her clit. She slowly slid off my shoulders and down my body. I could feel the warmth of her pussy all the way.

"Take your clothes off so we can dance better," she suggested. My clothes were off in three seconds. I put one arm around her waist, as people normally do when they dance; but my other hand went back between her legs again to grab that scrumptious butt. She put her arms on my shoulders, started to count again, and we waltzed around the room with our bare legs brushing into each other and her tits pressing against my chest.

Then I did one of those things I've seen ballet dancers do. I hoisted the girl into the air and held her there with one arm, my palm supporting her naked cunt. She smiled and stretched her legs out in a midair split, resting her hands on my shoulders and looking terrific.

With one of her cheeks in each of my hands, I slowly lowered her until my rod could poke its way into her pussy. That pussy was wetter and smoother than I'd thought a pussy could be. My cock sailed easily into it and she came almost immediately, hugging me so passionately that I too began to swell with cum. I kissed her lips and squeezed her ass as the pressure built up. Then I shot my load into that tight, hot cunt.

Naturally, she got the job too. And she's still with us. What's more, she taught me some real cool ballet steps and now I teach some of those steps to the new girls who audition. Makes me feel real artistic!

I like trying out different costumes for all the Halloween parties we'll be going to. This is the third that I've tried today, and it's just so adorable. Mike loves it, too, and can't wait to fuck me in it.

### BANGING MY SISTER IN LAW

*This is how a boring family reunion turned into one of the hottest nights of my life!!!*

My hands moved over her soft round hips. Her ass was pressed into my hard-on as we lay spoon-fashion on a spare bed at my mother-in-law's house. She was asleep and I was just waking up, horny as usual. I eased my hand over her hips and around to the front of her open blouse. The feel of her small breasts and erect nipples made me shiver.

Suddenly I realized there was something wrong, something different. My eyes popped open. They weren't my wife's breasts in my hand—they were her sister's!

Then I remembered: We were at another boring family reunion at my in-law's house. There were 12 people trying to make themselves comfortable in a three-bedroom house. An impossible task. Frequently someone would lie down for a nap, only to find a brother or sister using the other side of the bed when they woke up. Last year I woke up to find my brother-in-law in bed with me.

But this was different. Nancy, my wife's sister, was soft and warm, and I was aroused. Thank goodness she was asleep. If she caught me, it would be a big family joke for years to come. Our relationship began when I was courting her sister and she was a pain-in-the-ass kid.

At 29, married and divorced and the mother of a 12-year-old, she was hardly a pain in the ass anymore. In fact, she was a good-looking blonde hottie. Her clothes were always a size too small and she never wore any panties or bra. I've had many uncontrollable hard-ons just watching her bend over or sit in

a short skirt, flashing that pretty little pussy at me.

But I never touched her—or any woman other than my wife. My hand was still rubbing her tits as I moved ever so slowly, pressing my hard-on against her tempting ass. As long as she was asleep, I figured I might as well enjoy myself.

My heart beat wildly as I continued playing with Nancy. Besides the danger of her waking up at any moment, anyone—including my wife—could open the door at any time. I'm not a brave man, but I couldn't stop. It felt too good.

She surprised me as she rolled over, still sleeping. Her breasts were visible because her shirt was unbuttoned all the way. Her hand between our bodies made my dick twitch. Her soft, sexy brown eyes were closed, but her sweet, tempting lips were parted and begging to be kissed.

With only a small movement of my head I was able to touch her lips with mine. She must have been having a sex dream, because her tongue flicked out and entered my mouth as her hand tightened around my dick.

I lay motionless as she kissed and squeezed me. I knew I should stop, but I couldn't. Finally she broke the kiss and snuggled against me, her head on my shoulder. I noticed that her shorts had a zipper in the front and it was over halfway down. I had to stifle a groan as I realized that since she wasn't wearing panties, I could see the soft folds of her pussy and even her clit peeking up

HER CLOTHES WERE TOO SMALL AND SHE NEVER WORE A PANTY...

at me.

My hand had a mind of its own as slowly it crept toward her love button. Just one little touch, I told myself. Just one little touch.

As I closed my fingers over her clit in a slow, easy scissors-like motion her hips began to move. The sleeping beauty purred. Her hand continued to rub my dick. Soon the side of my finger was moving up and down her slippery love tunnel. She slept on as her hips thrust against my busy fingers.

Voices in the hall were coming toward the bedroom. Before I could react, my "sleeping" partner zipped up her shorts, buttoned her blouse and rolled away from me.

The voices passed; no one came in. When the danger passed, my sneaky sister-in-law turned to me and quietly giggled. "That was close, Rich."

I couldn't speak; I was embarrassed. She had been awake the whole time. I'd made a fool of myself.

"Hey, cheer up. It ain't the end of the world. Don't look so guilty. I was enjoying it as much as you..."

"You mean—" I stammered.

"I mean that I came in here about an hour ago and saw you sleeping. Your dick was so hard I thought it might burst. I wanted you."

"Me?"

"Yes, dummy. You! I all but undressed and climbed in the bed and pushed my ass right into that lovely hard dick. I thought you never would wake up."

"You wanted me?"

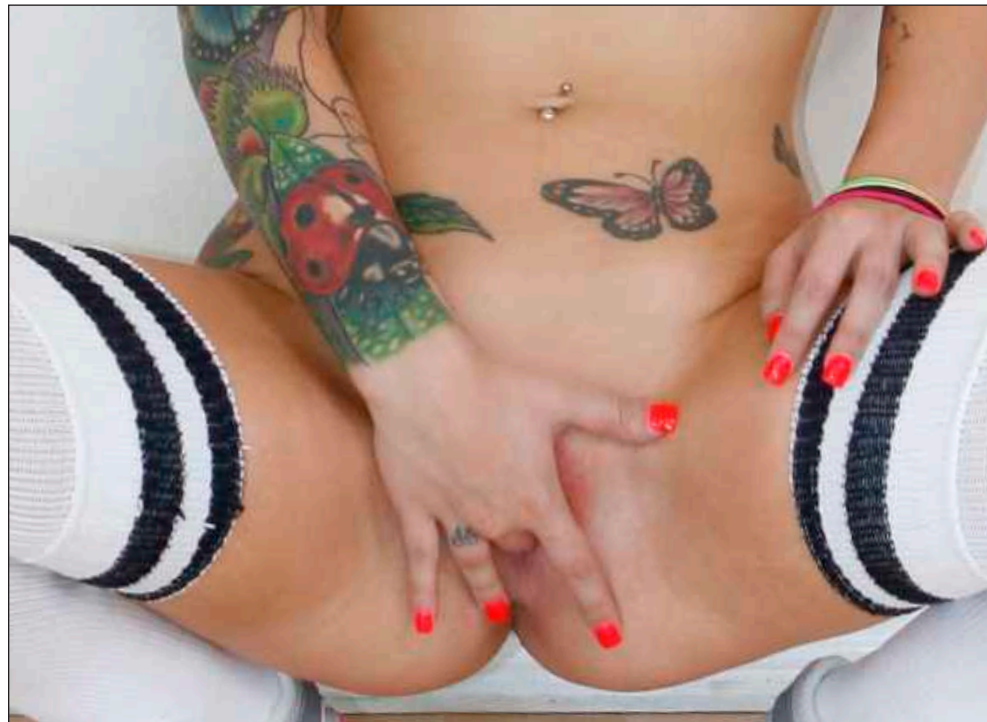

"There are too many people around right now. But before you leave tomorrow I will show you just how much." She squeezed my rod and got out of bed. But then as an afterthought she returned to the bed and lifted her blouse, exposing both hard-nippled boobs to my eager eyes. She pushed one and then the other to my hungry mouth.

"I think they like you, brother-in-law," she purred as she kissed my nose. Then she left the room. I lay there dazed for a while before I got up and joined the others.

Sparks flew each time Nancy's eyes met mine. I could think of only her body and how badly I wanted to bang her. I reasoned that it would be all but impossible to live out my fantasy with so many people around. But there had to be a way.

About an hour later I volunteered to go to the grocery store. My wife and Nancy went along. There would be no chance on this trip, not with my wife there, I thought.

The girls seemed to take forever to change clothes, and then they gaggled like geese all the way to the store. In the market I followed them up and down the aisles like a puppy. As we waited in the check-out line I discovered I was in for a surprise. As I stood with my hands

SHE WAS IN THE BACK SEAT. SHE STUCK A HAND UP HER DRESS AND BEGAN FINGERING HER SNATCH.

behind my back, I was aware of the touch of silk against my hand.

Nancy moved closer and before I could react she had raised her skirt and pressed my hand between her legs. I was holding her bare pussy, which was hot and ready. I thought my heart would jump from my chest as I slid my finger in and out of her hungry box.

When I couldn't take it anymore, I excused myself and went to the car to wait for the women. Fingering my sister-in-law's snatch, with my wife only a few feet away, was just too much. I needed to sit down.

As I sat there and tried to calm down, Nancy joined me in the car. She had the groceries. "Jodi's gone to the drugstore. She'll be back in a few minutes. I thought you might like some company."

My hand was unconsciously rubbing my nose as she talked.

"Bet it smells like my pussy," she breathed. "Don't worry about it; it's okay. You have me as sexed up as I have you. What we need is a good fuck. We just need to figure out how."

Before I could reply, she un-

zipped my pants and pulled out my throbbing cock.

"Watch for Jodi," she ordered as her lips closed around my stiff cock.

My eyes burned a hole in the door of the drugstore as Nancy brought me closer and closer to my badly needed orgasm. Just as I felt the cum boiling up from my swollen balls, Jodi came out of the store.

"It's her. Stop!" I groaned. I was so close, but it was not to be. Quickly Nancy zipped my fly and was sitting up all prim and proper when Jodi arrived.

"Sorry I took so long," Jodi apologized. "Hope you two didn't get too hot waiting in the car."

I caught Nancy's face as she almost broke up at the comment. Nancy wasn't finished with me; not by a long shot. She was in the backseat and visible in my rearview mirror, directly behind my wife. She stuck a hand up her dress and began fingering her snatch. She even managed to continue a bit of small talk with her sister. It was driving me mad—and she knew it.

When we finally got back to the house, I didn't know how much

more I could take. The remainder of the afternoon was uneventful. After supper it was time for the annual running of the home movies. Since there were more people than seats, I stood behind the bar that divided the kitchen and living room.

I didn't see Nancy slip up beside me as the lights went out and the movies began. She slipped in front of me, bent over with her elbows on the counter holding up her chin, and pressed her squirming ass against me. All I had to do was raise her dress and stick my dick in. But did I dare? Damn right!

I lifted her skirt. She still had no panties on so I slipped a hand between her legs and began rubbing her sopping pussy. Seconds later I was unzipped and deep within her pulsating womanhood—finally.

I couldn't believe it. There I was, standing in a room with my wife and all her relatives, with my cock buried in my sister-in-law's warm pussy. I couldn't help myself. I was so close... almost there... ready to shoot my boiling cum into her hole. Then the movie ended. I barely managed to get my dick back in my pants before the lights came on. Nancy was flushed and breathing hard. She had not come either.

Then my break finally came. The family decided to go bowling, but since I hate bowling I decided to stay home. I figured I would use my hand to get my relief. But Nancy still wouldn't give up. She quickly offered to stay home to watch the children. Her offer seemed to please everyone. The babies would have been tough to handle in the loud, rowdy bowling alley. I was delighted. Now I knew we could fuck ourselves silly.

The next hour seemed to last forever as the gang got dressed and Nancy rushed around getting the kids ready for bed. She managed to flash those bedroom eyes at me a few times and even brushed her body against mine as she held the

SHE WAS NAKED. HER BODY WAS PERFECT. THOSE POINTED NIPPLES BEGGED TO BE SUCKED AND KISSED.

kids up to me for the goodnight kiss.

After the others had gone, Nancy came into the living room and closed the door behind her. I couldn't believe it. She was naked! Her body was perfect. Those pointed nipples begged to be sucked and kissed. And I was only ready to oblige.

She walked to me and knelt as she nuzzled her face against my crotch. Quickly she had me naked from the waist down. After a quick kiss on my purple-headed love stick, she stood up and removed my shirt. Her body was pressed against mine from lips to toes as she ground her pelvis into mine and whispered, "Take me. Fuck me NOW!"

I had planned to do just that but first I wanted to touch every square inch of her body with my lips. I laid her down on the soft carpet and began kissing her ankles and working my way up the inside of her wide-open thighs. She was crazy with lust. She wiggled, squirmed and humped her hips as I kissed closer and closer to her quivering pussy.

When my lips made contact with the slippery, swollen lips of her love tunnel, I rammed my tongue in and

she screamed. Her legs clamped my head like a vise as her hips pumped madly against my face. She reached three peaks, each wilder than the one before until her legs released my head and she collapsed like a rag doll.

That's exactly what I wanted. She was open and helpless. I crawled up her ripe young body and stuck my tongue into her mouth as my dick slid easily into her slippery cunt. In less than 10 strokes I felt my eyes cross as my spine tingled and the burning sperm squirted into her sucking cunt. If it had not been for her mouth covering mine I would have snorted like a bull as she came again and pulled the cum from my aching balls with her humping pussy.

A little later, we had a long discussion about our scene. Neither of us felt guilty. We had a need and we filled it. Nancy also admitted, with a twinkle in her eyes, that I never had a chance. When a woman wants a man to bang her, he does! She says she can hardly wait till next year's family reunion.

I don't know if I can stand to wait that long!

## PAIGE & ALYSSA

Alyssa couldn't believe she was called to the Dean's office. After all, she had always been an exemplary student her entire Freshman year of college. Then without an explanation, she was bent over the Dean's desk, her skirt raised and panties pulled down. Instead of a slap, it was a gentle tap and soon their lips met in a frenzy of lust.
